

Glen Rock High School Boosters Club

Dear Glen Rock Neighbor,

It is quite amazing to witness the support and encouragement the students of Glen Rock provide each other no matter the extracurricular activity. Whether it is a boys or girls sporting event, a drama production or a club activity the student body presence is strong. What is equally impressive is the number of Glen Rock families, many of whom with no ties to the High School, who come as "fans" to support the vast array activities occurring at Glen Rock High School. I hope we can continue to build on this great school and community spirit.

Today, I am writing to ask for your support in another way, financially, to assist with the mission of the Glen Rock Boosters Club ("Boosters"). For over 20 years, Boosters has been providing community and financial resources to foster the extracurricular activities of Glen Rock High School students. Our funds come primarily from two sources: the profits from the operation of the food stand during home athletic contests and this annual town wide appeal.

Over the years, Boosters has made donations to support the band, choir and sports teams as their participants pursue excellence in competition, but what you may not know, is that the Club has also provided funds to purchase video cameras for school plays/concerts and AV equipment for Web design class projects. In addition to direct donations, Boosters plays an integral role in Glen Rock High's hosting of the American Cancer Society's Relay for Life and sponsors the annual Senior Awards Dinner. For a complete listing of Boosters donations please click the link on our website: www.glenrockboosters.com.

I realize that you have many needs pulling at your financial resources at this time. However, I hope that you will find some room in your budget to make a donation to continue the work done by the Boosters for the high school's extracurricular programs.

On behalf of the Glen Rock Boosters Club, the students, coaches and extracurricular activity advisors, thank you for your consideration and kind support.

Warm regards,

Kerry Miller
President

Please make your check payable to: Glen Rock Boosters, Inc. and send your donation in the enclosed envelope to: GR Boosters, Inc. / PO Box 23/ Glen Rock, NJ 07452.
